

Detailed Action

Allowance

1. The following is the examiner's statement of reasons for allowance: the cited prior arts do not anticipated or render the obvious the limitations recited in the instant claims. Particularly, the following recitation is found patentable over prior arts in the context of the claim as a whole: *"transmitting a first portion of the emergency information...through the data connection as a request for a uniform resource locator that includes the first portion of the emergency information within the URL request...transmitting a dual tone multi-frequency (DTMF)...including a second portion...synchronizing the first portion...and the second portion...."*

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Re-numbering of Claims

2. Please re-number the allowed claims to 1-23.
